LEADING LUXURY CABINETRY BRAND IN LATIN AMERICA

The logo for the National Kitchen and Bath Association (NKBA). The letters 'N', 'K', and 'A' are rendered in a light beige color, while the letters 'B' and 'A' are rendered in a dark purple color. The letters are bold and sans-serif.

NATIONAL  
KITCHEN+BATH  
ASSOCIATION

We are proud delegates of the Global Connect Network at NKBA (National Kitchen and Bath Association). As members, we adhere to the highest standards of professionalism, innovation, and craftsmanship, ensuring that our work reflects the high standards of NKBA.

# MANUFACTURING

**O**ur manufacturing plant of approximately 65,000 sq ft based in Monterrey, Mexico, specializes in the design and fabrication of European-style cabinetry for residential, commercial, and institutional projects. Leveraging the finest European machinery, we ensure the highest quality standards that adhere to international regulations. Our top priority is customer satisfaction, and we prioritize meeting their needs and desires, fostering working partnerships.

# LOGISTICS

Alberó USA, strategically headquartered in Monterrey, Mexico, has become the cabinetry gateway for optimized logistics. Our location emerges as a beacon of efficiency and cost-effectiveness, revolutionizing the way we navigate supply chain dynamics. With a laser focus on shipping both custom and ready-to-assemble (RTA) cabinetry, our proximity to the U.S. border serves as a catalyst for streamlined transportation, catapulting us ahead in delivery timelines and customer satisfaction metrics. Moreover, our commitment to maximizing space and minimizing risk through compact packaging ensures not only economical shipping costs but also pristine product arrivals, safeguarding your investments every step of the way.

# RETAIL

Albero, a family-owned kitchen and cabinetry business headquartered in Monterrey, Mexico, has been driven by a determined commitment since its beginnings. Not only dedicated to crafting designs that embody efficiency and timelessness, but Albero also places a strong emphasis on functionality.

Established in 1989, the company rapidly expanded its presence across various regions of Mexico, including Mexico City, Puerto Vallarta, Guadalajara, Cancun, Los Cabos, and Saltillo. With a persistent dedication to quality and innovation, Albero remains eager to continue its expansion while adapting to evolving preferences and technological advancements, all while remaining true to its heritage.

alberò

A kitchen scene featuring a woman with long dark hair, seen from behind, wearing a black long-sleeved top. She is holding a bright orange pepper mill and grinding pepper into a large orange bowl filled with fresh green leafy vegetables. The bowl sits on a dark, marbled countertop. To the left, there are several white ceramic jars with wooden lids. In the background, a white brick wall and a stainless steel sink are visible. Another person's arm in a white t-shirt is partially visible on the right. The overall lighting is warm and focused on the food preparation.

# TAILORED

---

## Made To Order

With our Alberó Premium line, we understand the importance of customization. That's why we offer endless possibilities to ensure your cabinets seamlessly match your space and style. Our team of designers is ready to collaborate with you, and our California showrooms provide the perfect setting for inspiration and personalization.

# ENGINEERED

---

## Made To Assemble

With our Alberó Builder line, we understand the significance of practicality. That's why we provide a seamless solution for homeowners and contractors alike with our ready-to-assemble (RTA) cabinetry. RTA cabinetry, also referred to as knock-down or flat-pack cabinets, is meticulously engineered for effortless transportation and assembly, delivered in separate

# FAST DELIVERY

---

With our production facility located in Monterrey, Mexico, we maintain direct control over every aspect of the manufacturing process, ensuring efficiency and quality. Typically, our delivery times range from 6-8 weeks from the signoff of final drawings, thanks to our use of in-stock materials and streamlined production methods.

# SUSTAINABILITY

---

Sustainability is at the core of our ethos. We source materials from reputable suppliers in Mexico, Spain, Italy, Germany, and the USA, prioritizing sustainability and responsible sourcing practices. Additionally, our advanced production line employs smart technology to minimize waste and reduce our environmental impact by up to 80%.

# ADVANCED MANUFACTURING

---

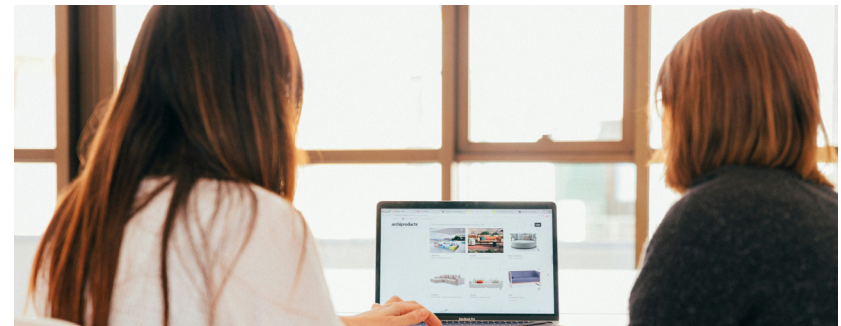

Our commitment to quality extends to our manufacturing processes. Utilizing state-of-the-art technology, including proprietary software, cutting-edge automation, and precision machinery, we ensure every cut and detail is executed with unparalleled precision and craftsmanship.

# SERVICE & GUARANTEE

---

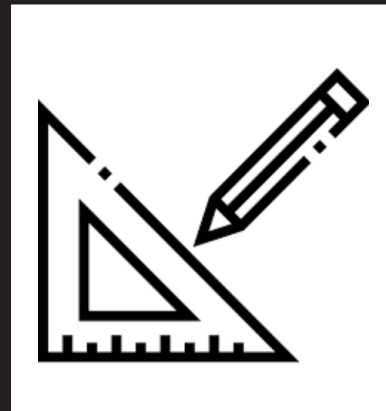

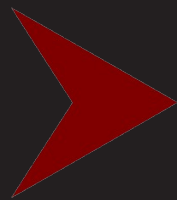

At Alberó, customer satisfaction is paramount. That's why we offer a lifetime warranty, unmatched in the industry, reflecting our confidence in the durability and longevity of our products. Our commitment to service extends beyond installation, with our unprecedented 10-year maintenance program ensuring your satisfaction for years to come. Choose Alberó for exceptional quality, service, and peace of mind.

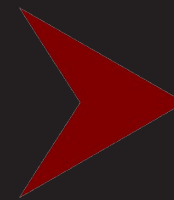

# HOW IT WORKS

CONSULTATION

DESIGN & BUILD

DELIVER & INSTALL

# CONSULTATION

---

## 1. Meet and Greet

Begin your journey with a personalized consultation. Sit down with one of our experienced cabinet designers to discuss your vision and determine if Alberó is the perfect fit for you.

## 2. Design Draft

Visualize your dream space with a complimentary 3D design draft. Our designers will collaborate closely with you to personalize your kitchen, bath, or closet project, ensuring it aligns perfectly with your vision.

## 3. Price Estimate

Receive a detailed quote for your project, accompanied by a comprehensive plan outlining production timelines. Upon finding alignment, your designer will schedule an on-site review and inspection to ensure seamless execution.

# DESIGN & BUILD

---

## 1. Design Finalization

Fine-tune and approve your designs in a final meeting with your cabinet designer. Our project manager will then conduct an on-site verification of measurements to ensure absolute accuracy.

## 2. Signoff

Confirm your readiness to proceed once you're satisfied with your designs. Your order will then undergo our rigorous quality control process to guarantee precision and excellence.

## 3. Production

Witness your vision take shape as we kick start production at our cutting-edge facility in Monterrey, Mexico. With meticulous attention to detail, your cabinets are crafted with care and precision.

# DELIVER & INSTALL

## 1. Delivery

Once your project lands at our California warehouse, experience convenience with our fast delivery options available within the Bay Area. Choose from curbside, garage, or in-home delivery, with our team performing a thorough pre-delivery inspection for your peace of mind.

## 2. Installation

Sit back and relax as our expert team handles installation directly, or offers support for authorized third-party installers. Prior to installation, our team conducts a comprehensive pre-installation inspection to ensure flawless execution.

## 3. Service

Enjoy long-term peace of mind with our exclusive 10-year maintenance program and limited lifetime warranty, starting immediately following cabinet installation. At Alberó, satisfaction extends far beyond installation – it's a commitment to your ongoing delight and satisfaction.
